Pujo and Other Members of House
Committee Arrive in
New York.

CONFERENCE WITH THE ATTORNEYS

New York, June 5.—The congressional
investigation of the money trust to begin
in this city to-morrow, promises to start
with a jump and to maintain that speed
until it is brought to a close some time
next week.

Representative Pujo of Louisiana and
other members of the House Committee
of Banking and Currency, arrived in
New York to-night. None of them would
talk about their program for the week,
though, all of them expressed the belief
that their work here will probably not
be concluded before the end of next
week.

Samuel Untermyer and E. H. Farrar,
counsel to the committee, held another
conference to-day. Mr. Untermyer, who
will conduct the main part of the exami-
nation, declined to-night to say who his
first witness will be to-morrow.

May Be First Witness.
It is generally understood, however,
that William Sheerer, manager of the
New York Clearing House, will be the
first witness called. He will be required
to describe in minute detail the operations
of the clearing house, and from his
testimony the investigators will then be
prepared to branch out in other and more
direct lines that lead to what is alleged
to be the real "money trust" of America.

Secretary Ely, of the stock exchange, is
known to be listed among the first wit-
nesses to follow Mr. Sheerer. From Sec-
retary Ely the committee expects to ob-
tain valuable information as to the op-
erations of the stock exchange. With this
as a basis the committee will then pro-
ceed to probe the controlling factors of
both the stock exchange and the clearing
house, in an effort to make the investi-
gation as drastic and thorough as though
the Senate were not blocking the amend-
atory legislation will be made by Messrs.
Untermyer and Farrar. A. Martin Rep-
burn, chairman of the board of the Chase
National Bank and president of the
clearing house, will probably be called to
the witness stand not later than next
Monday.

CAPITOL MOURNS
DEATH OF HUBBARD

Senate and House Appoint Commit-
tees to Attend Iowa's
Funeral.

Out of respect to Representative Elbert
H. Hubbard of Iowa, whose death oc-
curred suddenly in Sioux City, Iowa, yes-
terday morning, the House adjourned yes-
terday afternoon without finishing the
day's business. Upon receiving the of-
ficial announcement of the member's
death, Speaker Clark directed that the
House flag be lowered to half-mast.

Following the death of Mr. Hubbard,
the House flag was lowered to half-mast,
and the House adjourned without finish-
ing the day's business.

The following members were selected
to represent the House at the funeral:
Representatives Lloyd of Arkansas, Lo-
beck of Nebraska, and Davis of Minne-
sota, and the six Iowa Representatives
who are now in the city—Representatives
Haugen, Froug, Good, Townner, Green,
and Papper. The other Iowa members
who are engaged in the political cam-
paign in their State, were notified to re-
main there for the obsequies.

Eulogy by Clark.
Speaker Clark said: "I am deeply
grieved over Representative Hubbard's
death, which has come suddenly, with
cause for strong regret to the entire
membership of the House. He was a
great and good man."

Late yesterday afternoon the Senate
was officially notified that the House of
Representatives had adopted a resolu-
tion expressing regret at the death of
Representative Hubbard of Iowa. On the
motion of Senator Cummins, a resolu-
tion was passed by the Senate, express-
ing the sympathy of that body, and a
committee of Senators to attend the
funeral was authorized. The following
Senators were named by Vice President
Sherman and members of the committee:
Borah of Idaho, Crawford of South Da-
kota, Gronna of North Dakota, Cum-
mins and Kenyon of Iowa, Hitchcock of
Nebraska, Overman of North Carolina,
and Shively of Indiana.

Thereupon the Senate, as a further
mark of respect, adjourned.

Mr. Hubbard's Career.
Elbert Hamilton Hubbard, Republican,
of Sioux City, was born at Rushville,
Ind., August 19, 1849, the son of Asahel
W. Hubbard, who was a member of Con-
gress from the Fourth District of Iowa,
1882-1890, was graduated from Yale Col-
lege in the class of 1872, and was a law-
yer; married Eleanor Hermance Cobb
June 6, 1882, and has four children, E.
H., Charlotte, Lyle, and Eleanor; served
as member of the House of Representa-
tives, Nineteenth General Assembly dis-
trict, and of the Senate in the Twenty-
seventh and Twenty-eighth assemblies;
was elected to the Fifty-ninth and Sixtieth
Congress and re-elected to the Sixty-
third Congress.

Plan to Get Federal Charter.
Directors of the Chamber of Commerce
of the United States met at the Raleigh
Hotel yesterday and made plans to se-
cure a Federal charter. They called on
the House Judiciary Committee and ex-
plained the purpose of the organization.
Harry A. Wheeler, president of the
Chamber, presided.

How English Beauties
Keep Faces Youthful

Christian Miller, P. C. I., noted English
health expert, attributes the early aging
of American women mainly to the con-
tinual use of which must ruin any com-
plexion. The beauty devotees of King
George's realm have the marvellous wax
habit, a more wholesome method of keep-
ing the face girlish-looking and healthy.
Ordinary mercurial wax, used like cold
cream, rejuvenates the worst complexion.
American women may easily acquire the
habit, this wax being obtainable at drug
stores generally in the United States. It
is applied at night and washed off in the
morning. One ounce is sufficient to com-
pletely renovate a bad complexion. It
has a peculiar action in keeping the face
free from the particles of dead and de-
vitalized skin which are constantly ap-
pearing.—Woman's Herald.

NEWS OF ALEXANDRIA

Two Policemen Are Suspended for
Twenty Days for Loitering
in Saloon.

Alexandria, Va., June 5.—Policemen
James Talbot and Charles Nowland were
suspended for a period of twenty days
each by the board of police commissioners
to-night, following an examination of
charges of remaining in a saloon for
forty-four minutes, preferred by Chief
of Police Goods.

The board also decided that the police-
men should, in addition, be reprimanded
by Mayor Paff. This was done by the
mayor, who explained to the men the
gravity of the charge, and also the
inequity displayed by the board. The
sentence of Policemen Talbot becomes ef-
fective at once, while the sentence of
Policeman Nowland will not begin until
the former completes his time.

The meeting of the board was presided
over by Mayor Paff, and Secretary
Flisher read the charges preferred by
Chief Goods in writing, which, in part,
set forth that the two policemen re-
mained in a saloon at the southeast cor-
ner of Royal and Oronoco Streets on
May 31, from 12:30 a. m. until 1:14 a. m.
Upon motion of Commissioner Barrett
each officer was permitted to appear and
make his defense.

The body of Rev. Dr. Richard W.
Micou, a professor of theology and
apologetics at the Episcopal Theological
Seminary, who died yesterday in Oxford,
England, will be brought here about June
16 and taken to the Episcopal Theologi-
cal Seminary, from where the funeral
will take place at the cemetery.

The body will be brought here about
June 16 and taken to the Episcopal Theologi-
cal Seminary, from where the funeral
will take place at the cemetery.

Dr. Micou left here February 11 for
a European trip. He hoped to restore
his health and also to study certain the-
ological studies. Accompanying him were
his wife and a son, Paul Micou, a
student at the Theological Seminary.

The deceased, in addition to his wife
and son Paul, was survived by a son,
Richard Micou, Washington, and a
daughter, Mrs. John W. Daniel, of Semi-
nary Hill.

The funeral of Col. Julius A. de Langel,
who died in Washington, took place at
1 o'clock this afternoon from DeLangel's
undertaking establishment. Services were
conducted by Rev. W. J. Morton, rector
of Christ Episcopal Church. Burial was
made in St. Paul's Cemetery. Members
of R. E. Lee Camp, Confederate Veter-
ans, of which the deceased was an
honorary member, attended the funeral.

Those serving as pallbearers were
William A. Snoot, Harry R. Burke, Car-
roll Pierce, R. M. Greene, G. William
Ramsey, and R. F. Knox.

At a meeting of Fitzgerald Council,
No. 438, Knights of Columbus, held to-
night at St. Mary's Hall, final plans
were made for taking part in the parade
in Washington Saturday in connection
with the unveiling of the Columbus
statue. Members of the order will as-
semble in the Young Men's Sodality
Lycium Hall at 12:30 o'clock and march
from there to the 6 o'clock train for
Washington, disembarking at the Bureau
of Engraving and Printing, where they
will join the Virginia delegation. Pen-
nons and badges were distributed at the
meeting held to-night.

A number of citizens at a meeting held
last night at L. Ruben's inaugurated a
movement having for its object the in-
stallation of a modern hot-water heating
plant in the Children's Home. A com-
mittee composed of Messrs. E. E. Knight,
E. C. Joyce, C. Howard, Leopold
Ruben, J. M. Duncan, and Floyd Sam-
unders, was appointed to solicit subscrip-
tions. The sum of \$75 was also raised
for the purpose of erecting a baseball
club which will be asked to give an
exhibition game for the benefit of the fund.

Arrangements are being made for an
all day Fourth of July celebration, which
will be held at George Washington Park
that day. Tentative plans provide for a
drill by the Alexandria Light Infantry,
speechmaking, music, exhibitions by the
Boy Scouts and athletic exercises. The
affair will end at night with a coronation
by the ball at Armory Hall.

Edward Lane, colored, was held for the
action of the grand jury in the police
court to-day following a complaint made
by Corone Thomas, colored. The couple
were subsequently married by Rev.
Alexander Truett, ending the case as far
as the court is concerned.

A number of white women, who during
the wee small hours last night engaged
in a joy ride in an automobile, will be
given a hearing in the police court in
the morning. It is said that the women
carried with them a piano, and music
was wafted through the midnight air
much to the discomfort of those who
had gone into dreamland.

The Sisters of the Holy Cross have
issued invitations for the annual com-
mencement exercises of St. Mary's Acad-
emy, which will be held at 3 o'clock
Thursday afternoon, June 13 next at
Lantern's opera house.

Sandy Crawley, colored, charged in the
Police Court yesterday with failure to
properly provide for the support of his
five children, was acquitted and warned
that he must look after them in the
future, otherwise he will be sent to
work on the State convict road farm.

A special meeting of the Board of
Aldermen will be held to-night when
the new set of health laws will come up
for consideration. The laws have already
been passed by the lower branch of
City Council.

at Entertainment.

One of the most successful of the en-

the Nebraska State Association, of which
P. H. Abbott, Assistant Commissioner of
Indian Affairs, is president, was that of
last night, with Mrs. Nellie B. Drexel, a
former resident of Omaha, Neb., as
hostess, in the green room at the On-
tario apartments.

W. T. Thompson, Subeditor for the
Treasury Department, the first speaker
of the evening, proposed a toast to the
Nebraska men. Representative Dan V.
Stephens, of the Third Nebraska District,
in a short address, praised Nebraska's
agricultural resources, which he declared
are not surpassed anywhere. Supt. of
Schools W. M. Davidson made a short
address in which he heartily agreed with
all that had been said in praise of Ne-
braska's resources and products. Frank-
lin Collins, vice president of the associa-
tion and Assistant Attorney General in
the Department of Justice, gave an in-
teresting description of the beauties of
the Platte River Valley and the other at-
tractions of Nebraska. Edgar C. Snyder,
Washington correspondent of the Omaha
Herald, touched the hearts of every Ne-
braska present when, in his short talk,
he told of the return every day of Ne-
braskans to their native State from
Canada, where they had been lured by
hopes of cheaper land.
